Summer to do list;

1. Pick your own...whatever. Find a farm with blueberries, strawberries, tomatoes, flowers, etc., and get picking.
2. [Play outside](#) in the rain. Smell the rain on the pavement; splash in puddles; make mud pies.
3. Make your own rain. Douse everyone with the hose or sprinkler.
4. Cook out...frequently. Go beyond the burgers. Try veggies or fish. The kids might like them more if they come off the grill!
5. Make "smores." Chocolate + marshmallow + graham cracker = summer
6. Camp out. First-timers, try backyard camping.
7. Camp in. Put the sleeping bags on the floor and have a family slumber party.
8. Catch lightning bugs. And then watch them flicker away into the night.
9. Stargaze. Invite friends and make a party of it.
10. Rearrange the furniture. Give the kids graph paper and have them draw out a plan first.
11. Take family naps together. Parents can snooze too!
12. Make your own pizza. Try this kid-friendly [recipe](#).
13. Invite friends over for a game night. Have a kids' games table and an adult one too.
14. Go to the demolition derby. And expect to see some major crashes.
15. See an air show. And hope for no crashes.
16. Stop to smell the flowers. (Go to a botanical garden.)
17. Talk to the animals. (Go to the zoo.)
18. Get wet. (Go to a water park.)
19. Read a chapter book aloud. Or even go on and read a whole series together
20. Play a card game. Maybe crazy eights, spoons or poker. Take your pick.
21. Play a board game. Candyland, chess or Monopoly, depending on age and inclination.
22. Make good use of nearby parks. Go to your local parks website, print the schedule of activities and tape it to the refrigerator.
23. Pack a [picnic](#). And plop down to eat it just about anywhere, at a free concert, in a state park or in your own backyard.
24. Start the back-to-school shopping early. The farther from the start of school the more fun kids think it is.
25. [Get the summer homework done](#). Not exactly fun, but you'll be happy to get it out of the way.
26. Experiment with new hairdos. Let the kids try out not-permanent colors or braids. Or maybe a spiked look.
27. Dig in the sand at the beach. Doesn't matter if it's on the ocean, lake or bay.
28. Master a new skill together. Learn to juggle, play harmonica, do the hula hoop, etc.
29. Take an early morning bird walk.
30. Grow vegetables. And then eat them.
31. Grow flowers. And then arrange them.
32. Let the kids cook dinner. In fact, make a tradition of it.
33. Host the kids' friends for a sleepover. And the maybe your kids will be invited next--giving you a free evening
34. Go to a nearby museum that you've never been to before
35. Go to your favorite local museum...again.
36. Join a Junior Ranger program. Both national parks and many state parks have them.
37. Teach the kids a game you haven't played since you were a kid.
38. Make music. Either make your own instruments or play traditional ones.
