SPEAK Coalition Presents: St. Clair County Virtual Trivia Nights

The St. Clair County Substance Prevention through Early Action and Knowledge (SPEAK) Coalition will be hosting *Virtual Trivia Nights* for middle and high school students over the next three months. Parents/guardians are encouraged to share this information with their children and participate during these youth friendly events. Trivia will feature an array of questions ranging from history, pop culture, and youth substance use. Winners will receive an Amazon gift card. Zoom log-in details for each date can be found on Facebook at @scspeak.

Tuesday, April 27th 5:30-6:30pm

Tuesday, May 25th 5:30-6:30pm

Thursday, June 24th 6:00-7:00pm

Preventing youth substance use by providing community education and alternative activities is the primary goal of the Coalition. Specific focus areas include underage drinking, youth marijuana use, youth vaping and adult/youth opioid use which align with the Coalition's mission; "*Striving for a healthier community by working together to prevent youth substance abuse.*"

For more information about the event and the SPEAK Coalition, email speak@stclaircounty.org. Follow us on Facebook @SCCSPEAK. Grant funding provided by MDHHS and Region 10 PIHP.

##END##

Mission: Striving for a healthier community by working together to prevent youth substance abuse.
