

Memphis High School Parent Teacher Partnership

Kroger Community Rewards Program

As this 2010-2011 school year begins, we welcome you to the parent teacher partnership. If you are not an official charter member yet, please be sure to send your contact information to Mrs. Phillips. There are some great things planned for this year.

To begin with, we have enrolled in an exciting community rewards program through Kroger Stores. This is a great way for our group and our school to earn money by continuing something we already do—buy groceries!

It's easy to enroll in this great program and we would appreciate your support. Once you are signed up and choose Memphis High School as a recipient, we will receive a percentage of the total purchases made by registered members, no strings attached!

Follow these simple steps to enroll in Kroger Community Rewards:

1. Log on to www.krogercommunityrewards.com
2. Select Michigan.
3. Click on "Enroll."
4. On the next page, scroll down and click on "Get Started. Sign Up Today."
4. Follow the steps to create a Kroger account using your Plus Card keytag as a New Customer. *You do not need to sign up for emails and store alerts.*
5. Kroger will send an e-mail to your personal account that you entered earlier. This could take up to 10 minutes. Check the message in your email inbox to activate your account by clicking on the given link.
6. Go to My Account and enter email address and password.
7. Go to Kroger Community Rewards and click "Edit Kroger Community Rewards Information" and input your Kroger Plus Card number.
8. Enter organization number **82984** then confirm **Memphis High School** as organization.
9. Save changes.
10. Continue shopping at your favorite Kroger store! Be sure to have your Kroger Plus Card scanned for grocery transactions in order to support MHS.

Thank you for your support.
