

2026-2027 School of Choice

School of Choice forms can only be submitted to SCC RESA between
July 6 through July 20, 2026.

Please Note:

- The School of Choice program applies only to students who wish to attend a school outside their home district. Requests for enrollment in a different school within your home district should be directed to that district for building preference.
- Once approved and enrolled in a School of Choice district, students do not need to reapply each year.
- You will be notified when your application is approved or denied. Please understand that a denial can be for any of the following reasons: recent prior (past) discipline, lack of openings/space in the choice school district, or if it is determined that false or fraudulent information is submitted. Denial may also occur if a 105c agreement has not been reached.
- Under the Schools of Choice State Aid Act of 1996, P.A. 300, Sections 105 and 105c, a separate application form **MUST** be completed for **EACH** student.
- The Schools of Choice Program is only for grades Kindergarten through 12. Schools of Choice does not apply to preschool or special education transition programming.
